Woe Unto Ye Fundamentalists!

A scathing denunciation of those Christians who praise and support anti-Christ Zionism - by a fundamental Baptist evangelist.

A CONCERNED CHRISTIAN'S ANSWER TO DR. JERRY FALWELL!

"My people have been lost sheep; their shepherds (pastors) have caused them to go astray..." - (Jeremiah 50:6)

by COL. JACK MOHR

"Woe unto you scribes and Pharisees, hypocrites." We could well paraphrase this to say today: "Woe unto you Fundamentalists, for while ye save men's souls, you prepare them for the slaughter."

Many of you who read this will have received a letter from me, written in September 1980. Here for the first time, I stated publicly my new position regarding the Jews as God's Chosen People. If you recall, I was a Baptist of forty-five years standing and had been a Fundamental Baptist Lay Evangelist for eighteen years, holding my Christ and Country Crusades coast to coast, and being well-respected in many fundamental churches. Many of you expressed the opinion that God had His hand on me in a special way and that because of my unique experiences in Korea, as a prisoner of the Communists, He had called me in a special way to warn American Christians against this anti-God philosophy. At that time, I was welcome in most of your churches.

Then in the fall of 1980, the impossible happened! Jack Mohr, turned his back on Baptist teaching regarding the Jews. He began to preach, with strong Scriptural proof, that Christians had been seduced, often in their own churches, and that the people we now know as Jews, could not possibly be the "people of the Book." As their sacred cow was attacked and shown up for the bloodthirsty beast it really is, suddenly, almost as if by magic, the doors of America's fundamental churches were slammed in the face of a man, whose only sin was that he was telling the truth. He was pronounced "apostate," by the churches he had faithfully served.

His teachings concerning the Word of God had not changed; his fundamental beliefs were the same, with the exception that he began to see the teaching of a "pre-tribulation Rapture of the church," as a Jewish fable, which Paul had warned about in Titus 1:14. But as to his preaching, he was as fundamental as the most fundamental. In spite of this, within two months of his announcement, the doors of every fundamental Baptist church in his own state of Mississippi, had been slammed in his face and 14 Crusades already scheduled for 1981 were canceled. Why? There can only be one answer! It is a Scriptural answer, found over and over in the Bible and summed up in five little words: FOR FEAR OF THE JEWS!

We find the first reference to this in the Old Testament, in Esther 8:17, where it states: "...and many people of the land became Jews; FOR THE FEAR OF THE JEWS FELL ON THEM." (Emphasis added.) They were not converted because they believed in the God of Abraham, Isaac and Jacob, but because they were afraid of a people called Jews. In Esther 9:2, we see where the fear of an individual Jew fell on the people, as Mordecai, the Jew, became a prominent man in the kingdom: "And all the rulers of the provinces, and the lieutenants, and the deputies and officers of the king, HELPED THE JEWS; BECAUSE THE FEAR OF MORDECAI FELL UPON THEM." (Emphasis added.) Notice, they did not fear God, they feared a Jew!

We turn to the New Testament and find this same phrase used in John 7:13 - "Howbeit no man spoke openly of him (Jesus) FOR FEAR OF THE JEWS." (Emphasis added.) In John 9:22, we see where the parents of the blind man were afraid and would not speak up "BECAUSE THEY FEARED THE JEWS!" In 12:42, we find where many who believed on Jesus would not confess

Him openly - FOR FEAR OF THE JEWS. In 19:38, Joseph of Arimathea, a wealthy, powerful political figure in Palestine, went to Pilate in secret, to ask for the body of Jesus. Why? Again the answer is FOR FEAR OF THE JEWS!

Finally in John 20:19, we read where the little band of Christian believers, after the crucifixion, were gathered behind closed doors - FOR FEAR OF THE JEWS!.

This is the primary reason good men in the fundamental camp; men like Jerry Falwell, Jack Van Impe, David Webber, and others, refuse to tell their people, the truth about the Jews. THEY FEAR THE JEWS! So because of this fear and what it is doing to American Christians, and because of the danger we face in this country from this fear, I am going to be very harsh and outspoken in my criticism of the fundamentalist leaders, who have helped to breed this fear.

Recently, the pastor of a great mid-west fundamentalist church, admitted to me, that what I said about the Jews was right. But when I asked him why he didn't tell his people about this, he replied: "I don't dare! My church owes $1.6-million and the church bonds are held by Jews." FOR FEAR OF THE JEWS! How very, very sad!

How many of you pastors who read this, or Christian business men, are AFRAID OF THE JEWS? Pastors, are you afraid you might be cut off that radio or TV program if you revealed the truth? How many of you shudder when you hear the term "anti-Semite" being used against a man who has had the "guts" to tell the whole truth? You may scream to high heaven that this is not so with you; only you and God really know. For the rest of us, it will have to be a case of "By their fruits shall ye know them." But brother fundamentalist, "Your actions shout so loud, I can't hear what you say!"

We hear you speak so often regarding Genesis 12:3, where you twist the word of God to say something it was never meant to say. You tell your people that this verse says God will curse anyone who does not love and cooperate with the Jews. But this is not what it says!

Read it carefully, in its context. You will find no promise made here to any of Abraham's descendants. The words simply say: "I will bless them that bless THEE; and curse him who curses THEE." (Emphasis added.) To say that this promise was made to the Jews, is intellectual dishonesty of the worst order, since there were no such people as Jews, until more than 1200 years after Abraham's time. Then you compound your falsehood by telling your people "God has blessed America because we have been good to the Jews." This is what Falwell, Van Impe, Thieme, Webber, Swigert and a host of others teach. But any American with any intelligence at all, can see through the falsehood of this statement. What has been the era of America's worst problems? In what era have we lost two wars, to nations smaller than many of our states? In what period has America's spiritual apathy become a national problem? In what era has crime and immorality swamped America? You know the answer. It has been since 1948, the year we recognized "Satan's Kids," as the rightful owners of Palestine. Could it be that God is punishing us for our presumptuousness?

Have you ever bothered to tell your congregation about 2 Chronicles 19:2b? This verse says: **"...**shouldest thou help the ungodly, and love them that hate the Lord?" This question was asked of a godly king, by the Lord's own prophet Jehu.

In 2nd Chronicles 17:12, we learn that King Jehosophat was a godly man. His main desire was to see his people turn to the Lord. But read further in 2 Chronicles 18:1-3, where you find that the Lord had blessed this good king with "riches and honor." Then, when he was riding the pinnacle of success, the Bible says "he joined affinity with Ahab." (If you remember, Ahab was the very wicked king of the Northern Kingdom of Israel.) To "join affinity with," means "to become one with, as a man and woman in marriage." Here we see the sad picture of a godly man, joining with a wicked fellow and encouraging him in his wicked aggression. Jehosophat told old Ahab: "I am as thou art: my people are as thy people." In other words: "Ahab, I'm behind you 100%, no matter what you do." That's exactly what Jerry Falwell has done with Menachem Begin, the "little Hitler" of the Israeli. When Begin came to America on a recent visit, Falwell told Him: "I am with you, and my

people, the fundamentalists of America will back you, no matter what you do! Because you are God's Chosen People." Shame on you fundamentalists. Who did we hear protest, very, very few!

Could it be possible, that God is shouting to America through fellows like Jack Mohr: "Listen America! Shouldest thou help the ungodly, and love them that hate the Lord? Now I'm going to warn you, because you have done this, the wrath of the Lord is upon you."

And it is. The trouble we see in America today is not caused by the devil, or by the Jews, or the blacks. It's caused because God's true people, white Christians, have turned their backs on Him and refuse to listen to His admonitions. This generation in which we are living, has spent more money to prevent crime, than any generation in the history of the world, yet in spite of this, crime grows worse, every year! We have spent more on Civil Rights than any generation in the world's sordid history, and our problems with the minority people grow worse and worse.

We have spent more to alleviate sickness than any generation on record, yet many horrible diseases resist even a cure. Could it possibly be that we are facing the lash of God's wrath, as foretold in Deuteronomy 28:15? "But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do ALL HIS COMMANDMENTS this day: that ALL THESE CURSES shall come upon thee and overtake thee." (Emphasis added.)

Then Moses proceeds to enumerate the curses which will come if we violate the Word of God. Vs 21 -"Pestilence, consumption, fever, inflammation, with extreme burning." Vs 25 - "The Lord shall cause thee to be smitten before thy enemies." Vs 33 - "The fruit of thy land, and all thy labors, shall a nation which thou knowest not eat up**..."** (Foreign aid, billions upon billions of it; food to heathen, anti-God nations, while Americans go hungry). Vs 43 - "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low." (Government controlled by the vote of the aliens, who have flocked into America in recent years.) Vs 44 - "He shall lend to thee, and thou shalt not lend to him; he shall be the head and thou shalt be the tail." (This refers to the control of American economics by the International Jewish Banking Cartel, which owns and runs the Federal Reserve System.) And on, and on, and on! Not blessings, as you tell your people, but cursings!

But, oh yes, I forgot. You do not believe in the Law. You tell your people that the Law was done away by Christ on His cross. Even though our Lord said: "Think not I am come to destroy the law and the prophets; I came not to destroy, but to fulfill," (Matthew 5:17). You teach this heresy, and yes, it is a heresy, even though the Apostle John tells us in I John 3:24 - "And he that keepeth his (Christ's) commandments (law) dwelleth in him and he in him. And hereby we KNOW that he abideth in us, by the Spirit he hath given us." Then in I John 5:3 - "For this is the love of God, that we KEEP HIS COMMANDMENTS (law)**..."** 2 John 6 - "And this is love, that we WALK AFTER HIS COMMANDMENTS (laws) (Emphasis added.)

We know that the ordinances; the ceremonial and sacrificial laws were done away with at Calvary. Jesus became a "once for all sacrifice for sin." There is no need for these sacrificial ordinances any more. But the "law of God" still remains in force. So you fundamentalists encourage Christians to sin, by your unscriptural teaching. You say: "But Paul taught that we are now under grace and not under the law." Did he really? It sounds like it in Galatians 2:16 doesn't it? - "Knowing that a man is not justified (saved) by the works of the law, but by the faith of Jesus Christ..." But go on to Vs 17 - "But if, while we seek to be justified by Christ: we ourselves are also found sinners (disobedient to the law, according to 1st John 3:4), is Christ become a minister of sin? God forbid!" Any time a Christian feels that because he is saved, he's above the law and he goes out and sins, then in the eyes of the world, Christ becomes the "minister of sin."

So you see, we have at least two areas where you fundamentalists have led your people astray. But let's get back to the first and to the curse of 2nd Chronicles 19:2, which is completely neglected by most fundamentalist preachers: "Shouldest thou help the ungodly, and love them that hate the Lord: THEREFORE (because of this) IS WRATH UPON THEE FROM BEFORE THE LORD." (Emphasis added.)

The good King Jehosophat ignored the warning of God's messenger and came close to losing both his life and his kingdom, because of his "affinity" for an ungodly ruler that hated God.

In spite of all the good things Jehosophat had done, the wrath of God fell on him for having helped a wicked king.

Today the Christian church is in a very similar situation, as we see you fundamentalists in affinity with a wicked man named Menachem Begin and the Jews. (The question we are facing here, has absolutely nothing to do with race or religion; for both Ahab and Jehosophat were Israelites.) The question I want to ask you is this: "What does Mr. Begin think of Jesus Christ?" If he's a Jew, then he hates our Lord; he has to in order to be a Jew. That'his at he has been taught from his mother's knee. That's what he's taught in the synagogue, from his holy book the TALMUD. No matter how nice he may be to Jerry FaIwell and the Christian ministers who visit him in Israeli, he hates our Lord.

Let me show you a very few things from this heathen book of 63 volumes, called the BABYLONIAN TALMUD and what it says about our Lord and His church:

> In the volume SANHEDRIN, (67) - "Jesus is referred to as the illegitimate son of a Roman soldier and a Jewish prostitute."
>
> In volume SCHABBOTH (104b) - "Jesus is referred to as a fool."
>
> In volume HILKOTH MAAKHOLOTH - "Christ's followers are called idolaters."

I could go on and on, hundreds of similar references. The TALMUD, from which Mr. Begin gets his religious teaching, deliberately sets out to teach Jewish hatred of everything you as a fundamentalist say you believe in. It teaches that you, as a "non-Jew" are nothing but an animal, created to serve the Jews. (In fact, as a Christian, you are rated lower than an animal.)

The TALMUD teaches ultimate Jewish control of the world, not under the benevolent dictatorship of Jesus Christ the Son of God; but of a Jewish dictatorship in which all others become slaves and which will make communism look like a Sunday School picnic.

In spite of the fact that your fundamentalist hero, the Apostle Paul, inspired by the Holy Spirit, wrote in 1 Corinthians 16:22 - "If any man love not the Lord Jesus Christ, let him be ANATHEMA MARANATHA!" The Greek word "Maranatha" means an "exclamation of approaching divine judgment," while "Anathema" means to be "banned, or accursed."

Notice this verse says, "ANY MAN." It does not say "except the Jews," It does not eliminate Mr. Begin, it clearly says, "ANY MAN." Yet you fundamentalists somehow or other believe that a man who hates your Lord and rejects Jesus Christ and His church, does not fit in here. Brother, who in the world do you think you are, that you can so twist the Scripture with impunity?

The Apostle John, who wrote more about love than any other in the New Testament, said in 2nd John Vs. 9 - "Whosoever transgresseth, and abideth not in the doctrine of Christ, HATH NOT GOD. He that abideth in the doctrine of Christ, hath both the Father and the Son. If any (this means Jew or Gentile, there is no discrimination made here) come unto you and BRING NOT THIS DOCTRINE, receive him not into your house, NEITHER BID HIM GOD SPEED: For he that biddeth him God speed, is PARTAKER OF HIS EVIL DEEDS." (Emphasis added.) How in the world can you get around this Scripture when you deal with a Jew?

Brother Falwell won't even answer his mail, when I write to him about this. For one thing he can't answer it within the context of the Word. But how can he get around this admonition, when he throws his arms around the murderer Begin and welcomes him to the United States." The Word clearly says that Jerry "HAS BECOME PARTAKER OF BEGIN'S EVIL DEEDS!"

Don't get mad at me - that's what the Word says!

Somehow or other, for what reason I can't understand, you fundamentalist preachers have given your people the idea that the Jews worship the same God we Christians do, even when they deny His Son. This is not only deception, it is heresy! Any preacher who bids God speed to one who denies Jesus Christ, becomes one with him. Boy, I wouldn't want to stand in your shoes, when you answer to God for that one! Brother, there's no way for you to get around this, you can't tunnel under it and you can't fly over it! It's ae?

Have you ever heard that Mr. Begin believes in and loves Jesus Christ? You can be sure that if he had ever said this, Jerry would have published it all over the country. I did hear one very foolish preacher say, after returning from a trip to Israeli: "Mr. Begin was the most Christian Jew I have ever met." Now there's a real enigma for you to solve.

The following report comes from Bob Jones' University in Greenville, S.C. It was written by Dr. Bob Jones, a fundamentalist in his own right and one of the very few I have ever heard criticize Begin and his government. I got this from Pastor Stadsklev's AMERICA'S HOPE. He said: "If this report had been written by a hate monger who made merchandise of hate and fear, I would have ignored it, but it came from a Christian (fundamentalist) University. It is entitled PALESTINE IN PERSPECTIVE. The following statement appears on page three:

"The Irgun's (Jewish terrorist organization) leader (Begin) was one of the two most-wanted men by the British government prior to the establishment of the state of Israeli and could very well give Arab terrorist organizations lessons in cruelty and violence. Under his (Begin's) leadership, Deir Yassin, an Arab settlement of about 250 people was entirely wiped out. No mercy was shown to infants, children or women. Even the unborn were slaughtered, when their mother's abdomens were ripped open. There has never been a more cruel, bloody, or useless slaughter. Under the same leadership, Irgun on one occasion captured four British soldiers and hanged them. They were cut open and the bodies of the hanged men were filled with explosives. When the bodies were found and cut down by their fellow British, the explosives blew up both the hanged bodies, and the live men who sought to bury them. The master terrorist and bloody-handed monster responsible for these attacks is Menachem Begin, today the Prime Minister of Israel." (UNQ)

Jerry Falwell, Jack Van Impe, David Webber, Oral Roberts, R. J. Thieme, all those of you who say this man is one of God's Chosen People, what Scripture will you use, what moral or natural justification can you give for your affinity with this monster in human form?

I've never heard of any of you who have tried to convert Mr. Begin. He'd "spit in your face," if you did. Why haven't you tried to get your friend to stop killing innocent Arabs, many of whom are Christian? If its right for your Jewish friend to be an aggressor, then its right for the Russians to be in Afghanistan.

"Oh," but you say, "there's a difference. These are Jews; they have a right to be in Palestine. God gave the land to them." Show me, if you can, any Scripture which says God gave Palestine to the Jews. Even Falwell can't do that! God gave the land to Abraham. Of this you can be certain. But Abraham was not a Jew and Mr. Begin and his crowd are not of the seed of Abraham -no, not by any stretch of the most vivid fundamentalist imagination. Neither are 99% of that "devil's brood," which now occupy Palestine. Most of the Jews there are Ashkenazi Jews. This means they come from Eastern Europe and have not one tiny drop of Abraham's blood flowing in their veins. They are Turco-Mongolian by background and their forefathers never set foot on Palestinian soil. Even the Pharisees of Jesus time were not Israelites, according to their own witness. Read carefully the eighth chapter of John's Gospel, especially verses 32, 33. I know that most fundamentalists don't like to go into this chapter, but you can't get away from the truth of it.

Look at verse 32, where our Lord said: "And ye shall know the truth and the truth shall make you free." Then listen to the answer given by the Pharisees, the rulers of these people called "Jews." Vs 33 - "We be Abraham's seed, and were NEVER IN BONDAGE to any man," (Emphasis added.) Now we have no reason to disbelieve this answer. They are merely making a frank admission, that

while they are of Abraham's seed (offspring), they are not Israelites.

"How come?" you ask. Well my brainwashed Christian friend, use your head for a moment. As a Sunday School student, you should know that true Israelites had been in bondage. They were in bondage in Egypt for some 400 years; they had gone into bondage in Assyria, and a few had been taken into bondage in Babylon. So this verse should tell you a very important truth. The Pharisees, who were the Jewish leaders COULD NOT BE ISRAELITES. Jesus goes on to confirm this in verse 47 when He tells them: "He that is of God heareth God's words: ye therefore hear them not, BECAUSE YE ARE NOT OF GOD!" (Emphasis added.) How much plainer can you get. Don't try and spiritualize these words away, it won't work! Pastor Stadsklev abely pointed out: "Your efforts to use the Abrahamic Covenant to justify your affinity for Mr. Begin would be laughable, if it were not such a deadly and destructive error."

Could it be possible, that some of you - no names mentioned - fit the words of Matthew 28:15? "So they took the money, and DID AS THEY WERE TAUGHT (by the Jews)." (Emphasis added.)

How long do you think Jerry Falwell would remain on national TV, if he had the courage to tell people the truth about the Jews and expose Begin for the monster he really is? You should know that answer as well as I.

The affinity you fundamentalists have with Jewish evil has reached the point, where even the Jewish owned and controlled press comments about it. They aren't critical, mind you, but it's rather strange that they comment on it. Do remember what Paul

the Corinthian Christians in 2nd Corinthians 6:14? "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?" If you are "unequally yoked together" with Menachem Begin and his unbelieving crowd, who are trying to destroy Christianity, then you are disobeying this verse.

One well-known leader of Moral Majority in a Midwest state recently told me that his greatest opponents were Jews. "I can't understand," he complained, "why the Jews would do this to us, when we have always tried to aid them." Well I told him some facts which he couldn't refute. He admitted that Jews were in control of abortion, ERA, prostitution, drugs, immorality on TV and the movies; that they controlled the alcohol business, which each year is guilty of the deaths of more than 25,000 Americans on our nation's highways. Anywhere money is to be made, no matter what it takes to make it, you will find the Jew. These people were not thrown out of every country in Europe because they were God's Chosen People, as Jack Van Impe would have you believe, but because of their immorality, their greed and their unethical business practices. This is why they are disliked in America. It has nothing to do with their religion, except inasmuch as the TALMUD teaches that it is all right to cheat the Gentile animal.

> In the volume ABODAH ZARAH (1 13a) you can read these words: "Usury may be practiced on Christians."
>
> In volume BABBA KAMA (113a) - "Jews must ALWAYS try and deceive Christians."
>
> In volume ZOHAR 91, (106a) - "A Jew may lie and perjure himself to condemn a Christian."
>
> In ABHODAH ZORAH (26b) - "Even the best of goyim should be killed".
>
> In volume ZOHAR (11, 43a) - "Extermination of Christians is a necessary sacrifice."

And on, and on we could go, through page after nauseating page of this most holy book of Judaism. Christ was not fooled by the Pharisees assumption that they alone knew the mind of God. In Matthew 13 and Mark 7, He asked them: "Why do ye also transgress the commandments of God by

your tradition?" The TALMUD allows a man to curse his parents, as long as he does not use the Jewish holy word Y-H-W-H, called the "Tetragrammaton." It is perfectly all right for him to say: "May the Almighty, or Divine One curse you to hell."

This is the kind of hypocrisy you fundamentalists are backing, when you support the Jews.

Although fundamental pastors know that the Jews are their foremost enemies - this can be seen from any intelligent observation - yet they still insist on telling their "brainwashed" followers: "So what! They are God's Chosen People and therefore can do no wrong!" How utterly sad and fatal!

Jesus knew the capability for evil of the people we now call Jews, much better than we do today. He knew their record for evil and double-dealing, which was one of the major themes of the Old Testament. The prophets from Moses to Malachi shouted out their condemnation. Then the Apostle Paul admits it, when he tells the Christians at Thessalonica, (1st Thessalonians 2:14, 15): "For ye brethren, became followers of the churches of God which in Judea are in Christ Jesus: for ye also have suffered like things of your own countrymen as they (the Christians in Judea) have of the JEWS: Who not only killed the Lord Jesus, and their own prophets, and have persecuted us (Christians) AND THEY PLEASE NOT GOD, AND ARE CONTRARY TO ALL MEN." (Emphasis added.)

When Jesus addressed the Talmudic leaders of Judaism in 30 A.D., He said: "Woe unto you, scribes and Pharisees, hypocrites.. ye be witness unto yourselves, that ye are the children of those which killed the prophets: FILL YE UP THE MEASURE OF YOUR FATHERS. Ye serpents (snakes), ye generation of vipers poisonous snakes), how can ye ESCAPE THE DAMNATION OF HELL?**..."** (Emphasis added.) Then in verse 35 of Matthew 23, we find the specific reason: "That upon you (Jews) may come ALL THE RIGHTEOUS BLOOD SHED UPON THE EARTH, from the blood of righteous Abel**..."** What a terrible indictment to make against any people, but made, nevertheless, by our LORD. Dear fundamentalist, WHERE ARE YOUR EYES THAT YE SEE NOT? WHERE ARE YOUR EARS, THAT YE REFUSE TO LISTEN TO THE TRUTH. It has been well said: "None is so blind, as he who refuses to hear."

On November 21, 1489, the following document was sent from the World Jewish leader, to Chemor, the main Rabbi in France. It was published in the Rothschild Journal in 1889: Note this part only: **"...**arrange that your sons become advocates and lawyers, and see that you mix yourselves in the affairs of State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them."

Have you ever wondered at the disportion of Jewish lawyers in the last eight Administrations which have governed this country from Washington D.C.? Why do we find Jewish lawyers, such as William Kuenstler, in the forefront of defending the enemies of America? Is it the lure of "big money" alone? (Lawyers are among the highest paid professions.) Or does it go deeper than this? Why do Jewish judges in particular, consistently rule against Christians in courts of law? Why do so many Jewish judges turn violent criminals loose on some stupid technicality, knowing they will "prey on society?" Do these things all happen by accident? Don't argue with me about this - just check out the record!

Ask yourself why it is that the Jewish founded and led American Civil Liberties Union (A.C.L.U.) is always in the forefront of efforts to de-Christianize the great religious holidays of Christmas and Easter? They do not want to do away with them - too much money is made by Jewish merchants on those days - but they do attempt to take Christ out of Christmas and Easter and substitute a jolly heathen called Santa Claus, and an equally ridiculous Easter bunny.

Listen to the following paragraphs, taken from the Jewish-Communist textbook on PSYCHOPOLITICS, WRITTEN in 1933: "We have battled in America since the century's turn, to bring to nothing, any and all Christian influences and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When that is done, we will have an end to them everywhere.

"So you must work until Christianity is synonymous with insanity. You must work until the officials of city, state and county governments will not think twice before they pounce on Christians as enemies.

"You must recruit every agency of the nation marked for conquest into a foaming hatred of Christianity. You must suborne district attorneys (no difficulty when they are Jews) and judges, into an intense belief that Christianity is bad, insanity causing, hated and intolerable." (For further information on this, read my new book THE SATANIC COUNTERFEIT)

Jesus once said: "Abraham rejoiced to see my day," (John 8:56). Does Mr. Begin and his cohorts rejoice in the birth, life, death and resurrection of the Lord Jesus? YOU KNOW THEY DO NOT! Instead, they consider those of us who believe the Scriptures, including you, my fundamentalist brethren, as "idolaters and heathen, goy." You are not ranked on an equal with animals, you are the "lowest form of animal," in the eyes of those you help and who desire to destroy you. To them, a Christian is the most despised form of life.

Christians top the "hate list" of those you call God's Chosen. In the curses of the 7th and 12th of the "18 benedictions" called SHEMONEHESREH, which the orthodox Jew recites three times on weekdays, and four times on Sabbaths and Holidays, the Christian is planted forever in hell, under a deluge of hot "excretement," while our Lord is drowned in "hot semen." (Vulgar and crass, I realize, but true nevertheless. I could give you many more references from the TALMUD, which would "literally turn your stomach.") It is one of the most vile books imaginable, but is the one from which the young religious Jew gets his earliest training.

While Jewish influence screams loud and long, about the destruction of immoral and vulgar books in our public schools; they teach in the Jewish Encyclopaedia, under the heading of GENTILES, that "Christian books such as the Bible should be burned."

While the Christian world speaks about "brotherhood between Christian and Jew," the Jewish Encyclopaedia and the TALMUD, both say that a "non-Jew" is not only not a brother, he is "less than human and should have no human rights under the law." (Now I realize the Jews will scream about this statement, for they are always in the forefront of Civil Rights for aliens and minorities, as long as it does not effect them. But regardless of what they say, this is what their holy book teaches.)

The term most fundamentalist preachers love to use is "Judeo-Christian." This should in itself be a "dead giveaway." The term "Judeo-Christian" was coined by those who would destroy "true Christianity," by merging it with the anti-Christ faith of Judaism. Yes indeed, O ye fundamentalists, read and absorb 1st Timothy 4:1 - **"...**in the latter days, some shall depart from the faith, giving heed to SEDUCING SPIRITS AND DOCTRINES OF DEVILS." This is a perfect "word picture" of Judaism, which is built on an occult, Satanic base.

All Christians, fundamentalist and otherwise, should appreciate the good things which have been done by fundamentalism - and they are many. We appreciate the vast host of people who have been "led to the Lord," by the aggressiveness of the fundamentalists. Yet sometimes I wonder. If there are 45-million "born again" Christians in America, as recent polls indicate, why is it that they have such a little effect on the country. Why is immorality on the constant increase, along with crime and sin of every kind? Why is it that the "average" Christian, fundamentalist and otherwise, is not "the salt of the earth," which Jesus told us to be in Matthew 5:13? (The main property of salt, you know, is to hold back corruption.) What has gone wrong? Could it be that our witness has been weakened, because we have had "affinity" with evil men? I'm not accusing; I'm merely asking a rhetorical question. It would seem to me that the fundamentalists love for the modern Ahab named Begin, which causes you to put pressure on our government and on your own people, to raise money to help "those that hate the Lord," would bring your belief in Him into question.

You have often become so zealous in your efforts to win souls, that you have completely forgotten about the Kingdom of God on this earth. You do believe in this, don't you? At least you say you do,

every time you repeat the Lord's Prayer. So often fundamentalists have "become so heavenly minded," they are "no earthly good."

This can become fatal! You have been so insistent that your people will escape the suffering of the Great Tribulation, that you have not prepared them spiritually to face any suffering or pressure from the enemy. You have helped raise the present "marshmallow Christian," who couldn't "fight his way out of a paper bag," if the need ever arose. Many of them have become so anemic, they are afraid to bow their heads and pray before they eat, in a public place, for fear that someone will think they are odd.

I know how easy and exhilarating it is to pray or testify in the warm atmosphere of a friendly church; especially when you are among people who admire your eloquence. But how many of your people carry their Christianity out into the everyday world? Far too many; I'd say the overwhelming majority of them, are Alka Seltzer Christians, they come to church and "fizz" for an hour or so on Sunday, but the rest of the week you would never know they were children of God. "By their fruits (not their words) shall ye know them."

Twice in John 8:39, 40, our Lord tells the Jewish leaders that they are not Abraham's children. Have you had some special revelation from the Lord which contradicts our Lord's own words? Has some angel given you a vision, in which Begin the Pharisee, suddenly becomes a righteous man, accepted in the eyes of the Lord and through the Abrahamic Covenant? Or maybe some of you fundamentalist preachers don't really know what the Abrahamic Covenant is?

Brother, I know this, you are treading on mighty dangerous ground, close to the point of sacrilege, when you teach that Judaism came from God via Abraham, Isaac, Jacob and Moses. Jesus said of the Jews: "If ye had believed Moses, ye would have believed me: for he wrote of me. But if ye believe not his writings, how shall ye believe my words?"

There is so much condemnation in the Gospel of John, by our Lord, against the religion of the Pharisees - which is and was Judaism, that modern Jewish Rabbis want this Gospel taken out of the New Testament.

What we are looking at on the world scene today in the form of men such as Menachem Begin, are "pseudo-Jews." They are the one's our risen Christ spoke of in Revelation 2:9, when He said: "I know the blasphemy of them which say they are Jews, and are not; BUT ARE OF THE SYNAGOGUE OF SATAN." (Emphasis added.) These are the "Christ-haters" you fundamentalist support and honor.

The people you are praising and elevating to the highest possible post of humanity, are guided by the heathen book, the BABYLONIAN TALMUD. Rabbi Finklestein, in his book HISTORY OF THE JEWS, says: "The TALMUD derives its authority from the position held by the ancient academies (schools of the Pharisees). . .at present, the Jewish people have no living authority comparable to the status of the ancient Sanhedrin or the later academies. Therefore, any decision regarding the Jewish religion, MUST BE BASED ON the TALMUD. (Notice, not the laws of God, as given to Moses, but the TALMUD.) This is the final resume of the teaching of those authorities when they existed." (UNQ.) (From THE JEWS - Their History Culture, and Religion, Vol.4, p.1332, Jewish Publication Society of America, 1949.)

In the November 17, 1959 issue of a best selling book by Herman Wouk, we read: "The TALMUD is to this day the circulating heart's blood of the Jewish religion." This is the book which is the very heart of the people we now know as Jews and it is a book which calls your Savior, a "bastard!"

Why do you suppose the TALMUD is kept secret from "non-Jews?" Why do you suppose the death penalty is decreed against any "goyim" who dares to read this book? Or any Jew who assists him in reading it? Why can't you find it in the public library? Why isn't it made available to the public like the books of other religions? Why all the secrecy over the TALMUD? Why was it burned in medieval Europe, on orders of the Pope? Why was it condemned by the leaders of the Protestant

Reformation?

It is because of it's contents. If Christians were to know what modern Jews were taught; what they believed; they would be driven from the land. Not because they were Jews, but because as Paul said, they are still "contrary to all men," in their religious teachings. The basic law of the TALMUD is - "only the Pharisee is a human being," all others are "asses" belonging to the Jew master. The attitude which has resulted from this teaching to the Jewish masses, is resentment by the asses" in every country where the Jew has resided - as well it might be. Only the "brainwashed fundamentalists and evangelicals" have called these so-called "superior beings," friends, which is like making friends with a rattle snake, sooner or later, you are going to get bit. This has been the sad lesson learned by every people who has tried to befriend the Jews. But the "non-Jews" resentment of being thought of and treated as animals, has always been called "persecution" by the Jews.

From the time of the Babylonian captivity, about 590 B.C., when the abomination called the TALMUD was begun; through the rise and fall of the Roman Empire, the TALMUD has always been the basis of world Jew belief. Now that the Seventh Anti-God World government has been set up by the Babylonian Talmudists, in the name of the United Nations, backed by the power and gold of the Rothschild's, Lazard, Freres, Lehman, Kuhn-Loeb; the Warburg's, the Schiff's and others of the International Banking bandits, in short today by the American Jewish Committee, every step of the Jews rise to world power, has been chronicled; culminating in the Communist drive for world power in 1918, which was financed by Jewish money and brains. It is documented fact, that at least 95"o of the conspirators in Russia were Ashkenazi Jews.

Since the end of World War II in particular, the word "hate" has been "dinned" into the ears of the Christians of America. Ostensibly, this cry is directed against people like me, who are supposed to be spreading "hate poison" - against groups who believe that "races should remain pure and not mix." The operation of these Jewish propaganda artists, has been spectacularly successful. But one thing the vast majority of American Christians do not know, is that the very ones who scream "hate and prejudice" are the same one's who are spreading throughout the nation, the slogans of "anti-Semitism"; these are the one's who have done more to inflame blacks against whites; Protestant against Catholic; minorities against the majority - than any other. Only they spew out their hatred under the canopy of their "TALMUDIC religion." Shouting hate slogans from one side of their mouth, while piously preaching "brotherhood" from the other side.

Their crusade against "hate" is but part of their larger conspiracy to control the world. Yes, Virginia, there is a conspiracy, whether you want to accept it or not. They are trying to destroy the unity of the American people, especially Christians. For once the unity is destroyed, then control becomes easy. The two-facedness of this technique is so obvious, that even you "brainwashed" goyim should be able to see it.

The NAACP, for instance, is an outfit in name only: it was created by Jews, financed and officered by Jews for the most part and is one with the racial strife which is constantly being masterminded by the "Anti-Defamation League" (ADL) of the Jewish Masonic lodge, the B'nai B'rith. These "Jewish haters" (and don't forget they do hate you if you are a Christian) piously claim that their entire interests are motivated by "humanitarianism," and insolently denounce anyone who disagrees with them as being "bigots" and "hate mongers." (See the new ADL book, EXTREMIST GROUPS IN THE UNITED STATES, which is being supplied to Public Schools, so that children can receive the Jewish view of the prejudice picture.) With a little research, you can easily discover that it has been Jewish influences which have been behind vicious Supreme Court decisions, which have hurt white Christians. Yet when they are caught in their "crimes," they merely scream "brotherhood."

Nowhere are the American people more vulnerable, than in Jewish attacks on the minds of our youth. These facts are available to you, if you want them I did not make them up. They can be found in the Year Books and Confidential Bulletins issued by the ADL and the American Jewish Congress (AJC) over the past decade. But when these reports were published by "right wing"

magazines, they had barely hit the press, when Jewish sources began to scream that they were "hate sheets." In the New York Times, January 25, 1959, this article appeared under the caption: MORE HATE LITERATURE DISTRIBUTED; It said: "The distribution of hate and racist literature reached a new post-war high late last year, it was reported Saturday by Ralph E. Samuel, Chairman of the National Executive Board of the American Jewish Committee."

Yet the information Samuel's was screaming about, came "verbatim" from Jewish sources. So much pressure was placed on Congress, that a joint statement was issued by spokesmen of both the Justice and Post Office Departments of the United States, which stated: "A joint study will be made into the possibility of new legislation to prevent these publications (the one's who had been telling the truth, previously published in Jewish periodicals), from being sent through the mails." This would bring the same sort of censorship in America, which can now be observed in West Germany and Canada, where people can be jailed for making "anti-Jewish" statements, no matter how true they may be. You can "defame, libel and tear down" someone like the author of this article, because he has dared to tell the truth, but you must not expose the enemy which seeks to destroy you. "What fools we mortals be."

While the "Pied Pipers" of Hollywood, TV and the news media can scream "prejudice, hate, Naziism, and Fascism", today, to be "anti-Communist" immediately labels you as being "anti-Semitic" I wonder why?

How do they get away with it, in a nation which is better educated than most? Well one big reason, is because of the propaganda which is coming from your fundamentalists pulpits. You are cooperating in the destruction of your own country. From a strict stand-point, you are according to the Constitutional viewpoint, a TRAITOR to America, for you are "giving aid and comfort to the enemy," (See U.S. Constitution, Article III, Sec.3.)

In addition to the "fundamentalist dupes," in most every community, we have a collection of organizations such as the Chamber of Commerce, the Lions, Kiwanis, Rotary, American Legion, PTA's, Women's Clubs, etc., all devoted on the surface to keeping their members abreast of events and conditions in the country through speakers they engage for luncheons and/or dinner meetings. In combination, they could go far to offset the "brainwashing effect" of the controlled media.

In a News-bulletin, put out in 1958 by a well known, respected public speaker, he pinpoints why these organizations have been "less than effective" in bringing the truth to the attention of the American people. He said: "The reason for this brainwashing by the enemy-controlled press and TV is one reason - but there is a far deeper reason - that is the suppressing and muzzling of those who could at least partially offset the brainwashing of the media. Those most guilty for this muzzling of the truth are men and women who proclaim 'Americanism' the loudest. I refer to the officials of our Service Clubs and to the ministers in our churches. In recent years, speakers who have had the courage to expose the real enemy of America, have been labeled by these people as "rabid rightists," and 'controversial' and have been banned from telling the truth." (UNQ.) I can vouch for this from personal experience. I have lost count of the times when I have been told by ministers and Service Club officials: "We believe in what you are doing. But you are too controversial; you would cause too many ripples in the pond." In effect: "We don't want anyone to rock the boat."

Occasionally there are pleasant surprises. A few years ago, after several unpleasant experiences with the American Legion, of which I was a working member, (while with the Birch Society, very few Legion Posts would let us use the Legion Halls for meetings: "too controversial.") I was invited to hold a series of lectures, sponsored by the Legion. My subject: THE COUNCIL ON FOREIGN RELATIONS. This tour was set up by a fine patriotic Christian Legionnaire, who wash State Americanism Chairman for the Legion. The tour was so successful, that at the next State Legion Convention, a Committee was appointed to look further into the CFR and they came out with a report which branded them as being anti-American. It can happen! But here is how Jewish pressure is used against these organizations. This is an actual incident, being explained by the president of a Service Club: "Several months ago, I scheduled Mr _____ to speak in our club. He had just

returned from a visit to the Middle East and was considered as an authority on that area. The subject of his speech, quite naturally, was the Middle East question. Unfortunately, on his arrival, at a news conference, before his lecture, he stressed the plight of the Arabs and the seizure of their homes by the Israeli. Immediately I began to receive calls from the ADL and other Jewish organizations; I even got a call from the 'Christian-Jewish brotherhood;' they descended on me screaming bloody murder - the newspapers made snide comments on our choice of a speaker - some of our members protested - and I was forced to cancel a speaker our people should have heard." FOR FEAR OF THE JEWS.

This is not a unique case. Many a fundamental church, has allowed an anti-Christ Jew to speak in their church, telling them about the terrible persecution of Jews under Hitler and begging for funds; but how many fundamental or evangelical churches do you know that have allowed their people to listen to the story from a Christian Arab? Very, very few! Certainly Jerry Falwell would not be in that group.

Now according to Myron Fagan, "there is more than one way to skin a rabbit." He tells the story of what happened in an all-white community in Westchester County New York a few years ago.

"Early in 1958, one of the residents in this community, an employee of one of the largest oil companies, was transferred to another State. Having no time to seek a buyer for his home, he transferred it to the local bank, which carried the mortgage on the property."

"About a month later, to the horror of a woman who lived next door - let's call her Mrs. X - a black family moved into the house. Actually it was more than a family; there was a young couple with three children; an elderly couple, plus a younger sister and her two children. Judging from the garb worn, the younger negro man was a 'Reverend.'

"As she beheld the brood of Negro teenagers, Mrs. X realized that this was the beginning of integration in their community - she thought about what integration had done to other communities, how racial unrest had been increased, how the school systems had almost been destroyed by integration. She was a mild mannered woman, she did not hate blacks, but she did want to preserve her neighborhood from the fate which had descended on Washington, D.C. and other all-white communities. She decided to do something about it.

"Her first step was to find out how the house had been financed. The black family obviously was not wealthy and the house was in the $50,000 category, mighty expensive in those days. To her amazement, she found that the bank had allowed them to move in for a small down-payment of $2,000 and a very small monthly payment. No white family in the community had ever received such an offer.

The next morning Mrs. X stormed into the bank and informed the bank's president that they were unhappy with Negroes in the neighborhood and the reasons for it. Immediately Mr. Banker stopped her and informed her that this Negro was different. He was not only a minister, but he was a member of the NAACP, the URBAN LEAGUE and was a highly regarded member of the national Board of the CHRISTIAN AND JEWISH BROTHERHOOD. Then he burned her to a crisp with the smug assurance that this particular Negro family was needed in their neighborhood.. Mrs. X informed him that if he didn't do something about it, she would withdraw her account from the bank. He said: "Go ahead; the loss of your business won't break this bank!" That remark was his undoing, for it planted an idea in Mrs. X's brain.

That afternoon she telephoned twenty of her friends in the community. They held a meeting at her house that night and on the following morning, with five of these women, Mrs. X again confronted Mr. Banker. This time the banker was not quite so arrogant, not so smug. Mrs. X wasted little time in getting down to business. She bluntly informed him that her committee represented thirty additional families, all of who had authorized her to close out their accounts, unless he, Mr. Banker, would agree to get the Negro family out of the community within five days. "Furthermore", Mrs. X grimly informed him, "If the loss of thirty-five accounts will not break this bank, all of us will go

door to door in this community, until we get enough accounts withdrawn that you will cease to operate in our community."

The Banker attempted to "reason" with the angry women and pointed out that the house was now the legal property of the black family and there was nothing he could do about it. He was grimly informed that he had deliberately caused the problem in the first place and that he would either take care of it or his bank would go out of business. When he shifted to the "humanitarianism" phase of his argument, he was told to keep that for the Board of Directors, when they asked him to explain the loss of all those accounts.

To make a long story short, three days later, the black family moved out without an incident. Some of you may think this was "racist," I say it was decent people, working for the welfare of their community. It was later discovered that this black family had been brought in for the purpose of integrating the community, by who? The NAACP and the CHRISTIAN AND JEWISH BROTHERHOOD. It was not to help the blacks, but to force integration.

The moral of this story is to point out how one woman saved a community from the fate which has overtaken Washington, D.C., New York, Philadelphia and a host of other places, where deliberate attempts have been made by Jewish led organizations, not to help bring understanding between blacks and whites, but to stir up trouble. You will find without fail, that most Jewish and yes, Christian "humanitarians and bleeding hearts," whether they be bankers, judges, or preachers, will forget their "humanitarianism" the minute their own skins and their pocketbooks are in danger.

It is one thing for you fundamentalists to reject "hate propaganda," but it is another, when you reject completely, whole chapters and many passages of Scripture in the Word of God, merely to please "them that hate the Lord."

There is bitter poison in your "Judeo-Christian" beliefs, my fundamentalist friend and every genuine fundamentalist should know this. John tells us to "try the spirits," and then goes on in 1st John 4:3 to say: - "Every spirit that confesseth not that Jesus Christ is come in the flesh IS NOT OF GOD: and this is the spnsan of ANTI-CHRIST." Use this criteria when dealing with the Jews.

Could it be, that in your zeal to hasten Christ's return, you are aiding and abetting the anti-Christ?

I too shout MARANATHA! But when He returns, it will not be as a Jewish Dictator, but as King of Kings, and Lord of Lords. "Nevertheless, Come quickly, Lord Jesus!"

The End
